

MCS COVID-19 Facilities Site Specific Indoor Sports Plan

Designee to implement plan: Nathan Schar, Principal

Responsible for COVID-19 concerns for athletics overall: Scott Sacuskie

Responsible for regular review of the plan: Anthony Ball, Assistant Principal

Facility name/location: Johansen High School Gym

Facilities Plan

- Location of the restrooms available for athletes, coaches, and officials: Johansen High School Gym
 - Restrooms shall be sanitized prior to the start of the practice/contest
 - Restrooms shall be sanitized every 30 minutes during competitions.
 - Restrooms shall be sanitized at the conclusion of the practice/contest
- Ventilation of the facility
 - Every effort will be made to increase the circulation of fresh air. This includes opening windows, doors, maximizing HVAC run time, etc.
 - Ventilation should be maximized during, and one hour at the conclusion of, practice and competition.
- No visitors shall be present in the facility other than athletes and support staff necessary to conduct practice.
- Facility Partitions/Curtains (if applicable) must be closed if multiple practices are occurring simultaneously.
- To the maximum extent practicable, scheduling should be used to minimize the number of individuals in the space at any one time.
- Masks are required by all individuals in the facility unless specifically exempted by other guidance.
- Floors, mats, and other horizontal & high-touch surfaces of play should be cleaned and sanitized at the conclusion of the practice or competition.
- For competitions, the entrance and egress plan is as follows:
 - Teams will enter from the South main entrance doors.
 - All athletes are expected to come ready to play. However, if athletes need to dress, they can use the bathrooms in the foyer.
 - After the game, athletes will exit the gym through the South East doors toward the parking lot.
- Facility questions, concerns, or issues should be reported to:
 - Coach
 - Athletic Director / Event Manager
 - Head Custodian
 - Principal
